

THE AUTZEN FOUNDATION AWARDS ALKB \$7,000

The Autzen Foundation out of Portland, Oregon, supports charitable work that makes Oregon a better place. Awarding the Assistance League® of Klamath Basin (ALKB) a \$7,000 grant supports Autzen's mission of providing grant funds to youth-centered groups that furnish school-age children with clothing, supplies, and meet other challenges.

ALKB grant funds will be used to allow more of the Klamath Basin's under-resourced children to take part in ALKB's Operation School Bell® and Children in Foster Care programs aimed at addressing the basic issues of neglect, health, and education for those in need living in the Klamath Basin. Please visit ALKB's local website at <https://www.klamathbasinassistanceleague.org/> or its national website at <https://www.assistanceleague.org/> for more information.

Thank You
